**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

FirstEnergy Solutions Corp. ("FirstEnergy") and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors"), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements") and together with the Schedules, (the "Schedules and Statements") with the United States Bankruptcy Court for the Northern District of Ohio, Eastern Division (the "Bankruptcy Court"), pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rules 1007-1 and 1007-2 of the of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "Local Rules").

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors' Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review, potential adjustment, and reflect the Debtors' commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury

arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Mr. Kevin T. Warvell, the Debtors' Chief Financial Officer², has signed each of the Schedules and Statements. Mr. Warvell is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Warvell has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Warvell has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim ("Claim") description, designation, or Debtor against which the Claim is asserted; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, without limitation, issues involving Claims, objections to Claims, substantive consolidation, defenses, equitable subordination, characterization or recharacterization of contracts, assumption or rejection of contracts or leases under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation or rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements except as may be required by applicable law.

² Norton Energy Storage L.L.C. is an LLC managed by its sole member, FirstEnergy Generation, LLC.

2. **Description of Cases and "As Of" Information Date.** On March 31, 2018 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On April 3, 2018, the Bankruptcy Court entered the *Order Directing The Joint Administration of The Debtors' Chapter 11 Cases* [Docket No. 126]. On April 12, 2018, the United States Trustee for the Northern District of Ohio, Eastern Division filed the *Notice of Appointment of Committee of Unsecured Creditors* pursuant to section 1102(a)(1) of the Bankruptcy Code [Docket No. 279].

The asset and liability information provided herein represents the asset and liability data of the Debtors as of the close of business on March 31, 2018, except as otherwise noted.

3. **Net Book Value of Assets.** Unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of March 31, 2018. Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets and may differ materially from the actual value and/or performance of the underlying assets.
4. **Recharacterization.** Notwithstanding the Debtors' commercially reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights to re-characterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.
5. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

6. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, without limitation, accrued salaries, employee benefit accruals, and accrued taxes. The Debtors also have excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage Claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

7. **Insiders.** For purposes of the Schedules and Statements, the Debtors defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors' directors, officers or persons in control of the Debtors; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision making or corporate authority of such individual; or (d) whether the Debtors or such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.
8. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
9. **Executory Contracts and Leases.** Although the Debtors made diligent attempts to attribute an executory contract or lease to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts and leases, including the right to amend Schedule G.
10. **Classifications.** Listing (a) a Claim on Schedule D as "secured," (b) a Claim on Schedule E/F as "priority," (c) a Claim on Schedule E/F as "unsecured," or (d) a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to re-characterize or reclassify such Claims or contracts or to setoff of such Claims, as appropriate.
11. **Claims Description.** Schedules D and E/F permit each of the Debtors to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by that Debtor that such amount is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any Claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, amount, liability, validity, priority or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such Claims as "disputed," "contingent" or "unliquidated." Moreover, listing a Claim does not constitute an admission of liability by the Debtors and the Debtors reserved the right to amend the Schedules and Statements accordingly.
12. **Causes of Action.** Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or

unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

13. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- **Undetermined Amounts.** The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.
- **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are undetermined amounts, the actual total may be different than the listed total.
- **Paid Claims.** The Debtors were authorized (but not directed) to pay certain outstanding prepetition Claims pursuant to various orders entered by the Bankruptcy Court. To reflect the fact that such payments have been made postpetition, and accordingly the amount due as of the Petition Date has been reduced, the Debtors have indicated the amount due as of the Petition Date for such Claims but marked them as contingent and unliquidated as it relates to trade payable obligations. The Debtors have listed all employees with a claim for "employee liabilities" in an undetermined amount and marked them as contingent and unliquidated. Since the Debtors received authority from the Bankruptcy Court to pay all prepetition employee wages and benefits and to continue to participate in various employee benefit and pension plans, including with respect to frozen and banked vacation, deferred compensation, supplemental pension and other non-qualified pension plans, it is uncertain as to whether there will be any unpaid prepetition amounts due and owing to employees. In addition, FE Corp. has guaranteed payment of certain employee liabilities. The Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities. Please see notes to Schedule E/F for additional information.
- **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

14. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

15. **Intercompany Payables and Receivables.** Intercompany payables and receivables between the Debtors are set forth on Schedule E/F or Schedule A/B.77, as applicable. The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. Because of the ongoing investigation of claims that may exist relating to prepetition transactions between and among Debtors and/or non-debtor affiliates, certain intercompany payables and receivables have been marked as "disputed" to preserve potential claims that may exist regarding such intercompany payables and receivables.

The Debtors take no position in these Schedules and Statements as to whether such accounts or notes would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

16. **Setoffs.** The Debtors periodically incur certain setoffs in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, refunds, negotiations and/or disputes between Debtors and their customers regarding regulatory or governmental impositions costs incurred by Debtors, and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtors' industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements.
17. **Global Notes Control.** In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors' Schedules

Schedules Summary. Except as otherwise noted, the asset and liability information provided herein represents the Debtors' data as of the close of business on the Petition Date.

For financial reporting purposes, the Debtors and certain of their non-Debtor affiliates ordinarily prepare consolidated financial statements. Unlike the consolidated financial statements, the Schedules reflect the assets and liabilities of each Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

In January 2018, the assets for FirstEnergy Nuclear Generation, LLC and FirstEnergy Nuclear Operating Company were impaired under applicable GAAP rules. As such, all asset values for these entities have been listed as zero.

Schedule A/B.15. Equity interests in subsidiaries and affiliates primarily arise from common stock ownership or member or partnership interests. For purposes of these Schedules, the Debtors have listed an undetermined value for the equity interests.

Schedule A/B.77. The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books

and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights. Although there are multiple parties that hold a portion of the debt included in the Debtors' prepetition secured credit facilities, only the administrative agents have been listed for purposes of Schedule D.

In response to "Describe debtor's property that is subject to lien", any description of the creditor's liens or their priority herein is qualified in its entirety by reference to the operative documents, agreements, schedules, any amendments and exhibits to the preceding and any documents evidencing perfection of such lien. The Debtor is taking no position on the extent or priority of a particular creditor's lien in this document.

In response to "Describe the lien", see statement above regarding property subject to lien.

First Mortgage Bonds-Certain of the pollution control revenue notes issued by FirstEnergy Generation, LLC and FirstEnergy Nuclear Generation, LLC and the credit facility with FirstEnergy Corp. are secured by first mortgage bonds issued by FirstEnergy Generation, LLC and /or FirstEnergy Nuclear Generation, LLC, as applicable. The Debtors have listed the secured pollution control revenue notes, the credit facility with FirstEnergy Corp. and the first mortgage bonds as secured claims on the applicable Schedule D but have not listed an amount in the entry for the indenture trustee for the first mortgage bonds in order to avoid double counting the amount of the secured Claims.

Schedule E/F. The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

Certain of the Claims of state and local taxing authorities set forth in Schedule E/F, ultimately may be deemed to be secured Claims pursuant to state or local laws.

Certain of the Claims owing to various taxing authorities to which the Debtors may be liable may be subject to ongoing audits. The Debtors reserve their right to dispute or challenge whether Claims owing to various taxing authorities are entitled to priority, and the listing of any Claim on Schedule E/F does not constitute an admission that such Claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

The Claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert Claims objections and/or setoffs with respect to the same.

To reflect the fact that postpetition payments related to trade payables have been made pursuant to court orders, the Debtors have indicated the amount due as of the Petition Date for trade payable Claims but marked them as contingent and unliquidated.

Pursuant to the *Final Order Authorizing The Debtors To (A) Pay Certain Prepetition Compensation And Reimbursable Employee Expenses, (B) Pay And Honor Employee And Retiree Medical And Other Benefits, (C) Continue To Participate In Fe Corp.'s Employee Compensation, Welfare, Retiree Benefit And Pension Plans And Programs, And (D) Continue To Participate In Fe Corp.'s Workers' Compensation Program And Modify The Automatic Stay With Respect Thereto* [Docket No. 491] (the "Wages Order"), the Bankruptcy Court granted the Debtors authority to pay or honor certain prepetition obligations for employee wages, salaries, and other compensation, reimbursable employee expenses, and employee medical and similar benefits. The Debtors have listed all employee liabilities on Schedule E/F with an undetermined amount and have marked them as contingent and unliquidated. The listed employee liabilities may also include various non-qualified pension liabilities, liabilities related to deferred compensation, and liabilities related to frozen / banked vacation. Certain of these employee liabilities are guaranteed FirstEnergy Corp.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Debtors have made every effort to include as contingent, unliquidated, or disputed the Claim of any vendor not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

Schedule F does not contain credits owed to customers. In the ordinary course of their business the Debtors may accrue credits owed to their customers which may be offset during the next billing cycle. Pursuant to the *Order Authorizing the Debtors to (I) Maintain and Administer Customer Programs and to Perform Under Customer Agreements, (II) Honor Obligations Relating Thereto and (III) Establish Procedures for Notifying Customers in the Debtors' Chapter 11 Cases* [Docket No. 161] (the "Customer Order"), the Bankruptcy Court granted the Debtors authority to pay or honor certain prepetition obligations under various customer programs. As such, all such amounts will be paid in the ordinary course.

Liabilities related to a contract settlement between FirstEnergy Generation, LLC, BNSF Railway Company and CSX Transportation, Inc. are listed as \$72 million for each creditor. This liability is the total amount owed to these creditors. The Debtors are not able to identify amounts that each creditor will receive from the settlement. As such, the entries on Schedule F have marked as Contingent and Unliquidated.

Schedule F does not include entries related to Workers Compensation Claims. The disclosure of which may be a violation of HIPAA laws. These creditors have been included in the creditor matrix and will receive proofs of claim forms to be filed if they believe they have a Claim against a Debtor.

Creditors Mansfield 2007 Trust A, Mansfield 2007 Trust B, Mansfield 2007 Trust C, Mansfield 2007 Trust D, Mansfield 2007 Trust E, Mansfield 2007 Trust F, are included on Schedule F as the owner of certain interest related to sale leaseback of the Mansfield facility. The rights in the Owner Trusts' interests in the various leases have been pledged as collateral to Wilmington Savings Fund Society FSB ("WSFS"). To the extent WSFS exercises its rights to foreclose on its security interests, the holder of these Claims will be WSFS.

BM1, LLC- BM1, LLC is listed as a creditor relating to certain tax indemnification Claims as the Owner Participant in the Mansfield 2007 Trust F. On May 11, 2018, FirstEnergy Generation, LLC received written notice that BM1, LLC had transferred its right, title and interest as Owner Participant in the Mansfield 2007 Trust F to FirstEnergy Corp.

Pursuant to written guarantees issued by FirstEnergy Solutions Corp. to FirstEnergy Generation, LLC, by FirstEnergy Solutions Corp. to FirstEnergy Nuclear Generation, LLC, by FirstEnergy Nuclear Generation,

LLC to FirstEnergy Solutions Corp., and by FirstEnergy Generation, LLC to FirstEnergy Solutions Corp. , all of the funded indebtedness issued by FirstEnergy Solutions Corp., FirstEnergy Generation, LLC or FirstEnergy Nuclear Generation, LLC is directly or indirectly guaranteed by the other two entities. For purposes of scheduling the amounts of these intercompany guarantees, the Debtors have scheduled the written guarantees on the applicable Schedule F in an unliquidated amount and as contingent Claims which takes into account the direct and indirect nature of these intercompany guarantees.

Schedule G. Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule G is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. In addition, the Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement).

Certain confidentiality, customer and non-compete agreements may not be listed on Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Insurance policies are not listed on Schedule G. Refer to the *Order (I) Authorizing the Debtors to Continue their Prepetition Insurance Program and (II) Authorizing the Debtors to Pay Any Prepetition Premiums and Related Obligations* [Docket No. 168] for a complete list of the Debtors insurance policies.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, it is the Debtors' intent that each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

amended filing**Official Form 206A/B****Schedule A/B: Assets — Real and Personal Property**

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
